Illinois Life and Health Insurance Guaranty Association: Summary of General Purposes and Current Limitations of Coverage

The following contains a brief summary of the Illinois Life and Health Insurance Guaranty Association Law's coverages, exclusions, and limits. This summary does not cover all provisions, nor does it in any way change anyone's rights or obligations under the Law or the rights or obligations of the Guaranty Association. If you have obtained this document from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

A) Coverage:

The Illinois Life and Health Insurance Guaranty Association provides coverage to policyholders that reside in Illinois for insurance issued by members of the Guaranty Association, including:

1. life insurance, health insurance, and annuity contracts;
2. life, health or annuity certificates under direct group policies or contracts;
3. unallocated annuity contracts; and
4. contracts to furnish health care services and subscription certificates for medical or health care services issued by certain licensed entities. The beneficiaries, payees, or assignees of such person are also protected, even if they live in another state.

B) Exclusions from Coverage:

1. The Guaranty Association does not provide coverage for:
 - a. any policy or portion of a policy for which the individual has assumed the risk;
 - b. any policy of reinsurance (unless an assumption certificate was issued);
 - c. interest rate guarantees which exceed certain statutory limitations;

2. In addition, persons are not protected by the Guaranty Association if:

 - b. their policy was issued by an organization which is not a member insurer of the Association.

C) Limits on Amount of Coverage:

1. The law also limits the amount the Illinois Life and Health Insurance Guaranty Association is obligated to pay. The Guaranty Association's liability is limited to the lesser of either:

Home study, correspondence, Internet, and television (TV) courses do not fulfill the eligibility requirements that the Named Insured actively attend classes. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured (as defined) shall be determined in accordance with the following:

- 1) If a Named Insured has Dependents on the date he or she is eligible for insurance; or
- 2) If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - (a) On the date the Named Insured marries the Dependent; or

PART II
GENERAL PROVISIONS

ENTIRE CONTRACT CHANGES: This policy, including the endorsements and attached papers, if any, and the application of the Policyholder shall constitute the entire contract between the parties. No agent has authority to change this policy or to waive any of its provisions. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. Such an endorsement or attachment shall be effective without the consent of the Insured Person but shall be without prejudice to any claim arising prior to its Effective Date.

GENERAL PROVISIONS (Continued)

GRACE PERIOD: A grace period of 10 days for monthly premium policies and 31 days for all other policies will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

PAYMENT OF PREMIUM: All premiums are payable in advance for each policy term in accordance with the Company's premium rates. The full premium must be paid even if the premium is received after the policy Effective Date. There is no pro-rata or reduced premium payment for late enrollees. There will be no refunds to students who cancel coverage under the policy; unless the Insured enters the armed forces.

Premium adjustments involving return of unearned premiums to the Policyholder will be limited to a period of 12 months immediately preceding the date of receipt by the Company of evidence that adjustments should be made. Premiums are payable to the Company, P.O. Box 809026, Dallas, Texas 75380-9026.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Claim forms are not required.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for any loss will be paid upon receipt of due written proof of such loss. All claims and indemnities payable under the terms of this policy of accident and health insurance shall be paid within 30 days following receipt by the Company of due proof of loss. Failure to pay within such period shall entitle the Insured to interest at the rate of nine percent per annum from the 30th day after receipt of such proof of loss to the date of late payment, provided that interest amounting to less than one dollar need not be paid.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by this policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

GENERAL PROVISIONS (Continued)

SUBROGATION: Whenever this policy has paid benefits because of Sickness or an Injury to any Insured Person resulting from a third party's wrongful act or negligence, to the extent of such payment the Company shall reserve the right to assume the legal claim any Insured Person may have against that third party. This means that the Company may choose to take legal action against the negligent third party or their representatives and to recover from them the amount of claim benefits paid to the Insured Person for loss caused by the third party.

RIGHT OF REIMBURSEMENT: If an Insured Person incurs expenses for Sickness or an Injury that occurred due to the negligence of a third party:

- A) The Company has the right to reimbursement for all benefits paid by the Company from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by the Insured Person, Insured Person's parents, if the Insured Person is a minor, or Insured Person's legal representative as a result of that Sickness or Injury.
- B) The Company is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits paid by the Company for that Sickness or Injury

The Company has the right to reimbursement out of all funds the Insured Person, the Insured Person's parents, if the Insured Person is a minor, or the Insured Person's legal representative, is or was able to obtain for the same expenses we have paid as a result of that Sickness or Injury.

You are required to furnish any information or assistance or provide any documents that we may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury or Sickness as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

PART III DEFINITIONS

The Pre-existing Conditions limitation will not apply to an adoptive child. The Insured must notify the Company, in writing, of the adopted not more than 31 days after placement or adoption.

In the case of a newborn adopted child, coverage begins at the moment of birth if a written agreement to adopt such child has been entered into by the Insured prior to the birth of the child, whether or not the agreement is enforceable. However, coverage will not continue to be provided for an adopted child who is not ultimately placed in the Insured's residence.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's date of placement: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage.
